

QUESTIONS FOR DISCUSSION & REVIEW for the "Projection for Survival" DVD Video and Power Point Show (PPS) #81507.

These questions are divided into five Sections to match the five SECTIONS of the PPS and DVD Video. You can print them one section at a time as you need them for classes.

Answers are in RED. When Scripture References are shown here, I suggest the teacher have the class members look up (perhaps take turns) and read the Scriptures for the answers so the Holy Spirit can work through God's Word. Please ask questions to promote "controlled discussion." Questions make people THINK. Someone has wisely said, "We can't think without LEARNING and we can't learn without THINKING."
